TRANSFER YOUR MONEY FROM ANOTHER BANK WITHOUT MOVING AN INCH

Transfer Now will enable you to move money between your bank accounts with MSB and other financial institutions.

This transfer process requires setup and validation of your accounts with other institutions. You must have ownership of the accounts you transfer to and from. Once those accounts are validated, you will be able to transfer funds within 1-3 days of initiating your transfer to or from your account with MSB. Fees will apply to outbound transfers. These are transfers from your MSB account to other institutions. There are no fees to transfer money into your MSB account from other institutions.

This solution will enhance your ability to conveniently move money quickly and securely. You can find this transfer option under the "Transfer" tab when you log into MSB Online Banking.

Please contact one of our knowledgeable staff with any questions at 319-394-3191 or msb@gomsb.bank.

MSB Serves Free Hotdogs

MSB brought a little extra fun to the ballpark this month, serving up free hot dogs at both a Mediapolis and Wapello game. It's a small way to say thank you to the communities we're proud to be a part of, while giving fans another reason to enjoy a night out at the field.
